He was a hedonist and a misogynist, a cynic and a narcissist. But that all changed when, on a seemingly regular day, in a seemingly normal tone, his uncle told him that he was immortal. The Immortalists is a story of one man's life and his transformation from materialism to spiritualism. It is an enlightening tale that shows how one man, against seemingly insurmountable odds, can make a difference in the lives of millions. Follow along on a journey that will illuminate the beauty and power of human compassion and morality.

"An unapologetic, perverse, yet spiritual first novel that follows one man's mistakes and triumphs when he learns that he can live forever. David's compelling debut successfully incorporates pop culture, profanity and religion into a resonant exploration of existence." - Kirkus Reviews
